### Production Graphic Artist

*Jostens*, March 2018-Present, Eagan, MN

Working with a team to develop high quality artwork in a fast paced environment. Tasks include creating 1000+ flyers for internal representatives to pitch to state wide schools, editing and revising logos, laying out art in InDesign+CorelDRAW, and prepping files and final graphics for print.

### E-Learning Production Specialist

*Rightsource Compliance*, December 2017-January 2018, Plymouth, MN

Developed e-learning training for Yardi Voyager, a residential property management software via Storyline 3. Translated materials from storyboards and executed screen capture software simulation. QA'd lessons using Jira Tracking.

### Production Graphic Artist

*Data Recognition Corporation*, May 2017-July 2017, Plymouth, MN

Worked with DRC as a Production Artist to create state wide testing for kids K-12. Tasks included creating mathematical graphs in Adobe Illustrator and collaging scenes together. Followed strict templates and branding for each state.

### Interactive Designer

*Allen Interactions*, June 2014-March 2017, Mendota Heights, MN

Worked with a creative production team to create custom e-learning for fortune 500 companies. Tasks included user interface design, storyboarding, sketching, prototyping, 2D animation, photo manipulation, audio recording, 508 testing, formatting Powerpoint/MS Word documents, and creating vector art. Provided design support to marketing/sales for project proposals to help bring in more clientele.

### Digital Illustrator

*Headwaters Relief Organization*, 2014, Minneapolis, MN

Collaborated with two other Illustrators to create an earthquake awareness book for children in Haiti. Sketched out ideas and brought into Photoshop for final rendering. Used Autodesk Maya to get correct perspectives in illustration.
